

## Angelina Jolie Baby Photos

### Angelina Jolie Baby Pictures

Back when Angelina Jolie started her career as a &lsquo;disturbed&rsquo; and &lsquo;crazy&rsquo; hot chick, nobody knew that she was going to be Hollywood&rsquo;s hottest mama.

Not only she has adopted so many kids from various parts of the world &ndash; she&rsquo;s also the wife of Hollywood heartthrob, Brad Pitt.

She&rsquo;s rich, she loves kids, she&rsquo;s pretty, she&rsquo;s got a body to die for &ndash; You definitely got my vote as the world&rsquo;s most eligible (ex-eligible, after you married Brad :- ) ) women.

Here are some photos of Angelina Jolie and her kids.
