

Keanu Reeves

Keanu Reeves The Day The Earth Stood Still

He's 'da man! Love all the movies that he made – especially The Matrix Trilogy. Well, he certainly has all the talent that Hollywood will ever need. Although movie critics weren't really happy with his latest movie, The Day The Earth Stood Still, as it suck, still I'm thinking that it's a job well done.

Here are some photos of Keanu Reeves:
