Khloe Kardashian

Khloe Kardashian certainly is in the spotlight these days. I'm not really a big fan of hers either, but I don't know what's the fuss being generated by the media. Still, she does have a hot little mama sister of hers which has big boobs and a-humpa-humpa-ass, Kim Kardashian, which I want to nail badly like Kate Walsh.

Here are some photos of Khloe (in case you don't know which one is her, she's the fat, bigger size one):
