Britney Spears Baby Pictures

I don't want to offend anyone – really, especially when Britney's fans are a million gazillion in this Universe. But I think that Britney Spears is a wreck. Just when she just started to get famous in the 90s, I didn't like her a bit. There's just something really wrong with this girl – and I was right. She has had so many failed marriages, kids with no father, frequent emotional breakdowns, weird and temperamental behaviors, and while all those were happening, she still pretended to be 'The Innocent Virgin Girl'. I think she should join a reality TV show, really, I'm pretty sure her series will hit the roof of the Empire State building.

Here are some pictures of 'innocent' Britney Spears with her kid, and the 'weird and temperamental behavior' Britney Spears:
